## **Wonderwood Connector Lane Closures and Detours Scheduled**

**Jacksonville** – The Hunters Mill neighborhood entrance at the intersection of Mt. Pleasant Road and Broken Bow Drive West is scheduled to close for three days starting Wednesday morning to lay lime rock over recently installed drainage pipes. The detour for traffic entering and leaving the neighborhood is Gately Road and Antelope Court. The road closure and detour starts Wednesday at 9 a.m. and is scheduled to end Friday at 7 a.m. (see below map for detour location).

In addition, a continuous eastbound lane closure from Merrill Road to Ft. Caroline Road is scheduled from Friday at 7 p.m. to Monday at 6 a.m. to allow Florida Department of Transportation (FDOT) contractors to finish installing large-diameter drainage pipes in the roadway.

The work is part of the \$8.7 million drainage project that started in March, which includes upgrades of drainage structures and pipes beneath the Wonderwood Connector. The project, spanning from I-295 east to the Intracoastal Waterway, includes Merrill Road, Ft. Caroline Road, McCormick Road, Mt. Pleasant Road and Wonderwood Drive. FDOT hired J.B. Coxwell Contracting Company of Jacksonville to complete the project by the spring of 2016.

For more information regarding this or other FDOT projects around the Northeast Florida area please visit [nflroads.com](http://nflroads.com). Follow FDOT on Twitter @MyFDOT\_NEFL or [http://twitter.com/MyFDOT\\_NEFL](http://twitter.com/MyFDOT_NEFL) and <http://facebook.com/MyFDOTNEFL> for the latest updates.
